Dear Mr. Chapman &
you snotty little detectives,

You think having wanted
posters around the school is
going to stop me? You have
no idea who I am or where I
am.

I will get my revenge on you,
Mr. Chapman...even if it
means defenestrating your
precious Detective Rover onto
the tennis courts below.

Yours truly,
The Infamous Dog Napper

Dear Detectives,

It looks like Rover's time is running out. You may know which floor I'm on. You may even know which side I face. But you still don't know which wing of the school I'm in.

But wait! What light through yonder window breaks? It is where I am!

And "Rover" is gone tomorrow, if you can't solve the riddle.

Yours Truly,
The Infamous Dog Napper
